

1

PRE-ORDER

2

PAYMENT

The payment is divided into three instalments:

- Deposit (on pre-order)
- Manufacturing (12 months prior to build date)
- Final Assembly (3 months prior to build date)

3

BUILD SCHOOL

Each aircraft is factory assembled by the owner during a 10 days, fully supported, build course in the UK.

PILOT SAFETY COURSE

A comprehensive course aimed specifically at private owner-operators of the HX50.

MAINTENANCE COURSE

Designed for owners or their designated licensed mechanics, covering all field-approved maintenance requirements

THE 51% RULE

Under amateur-built regulations, owners of new HX50 aircraft are required to complete 51% of the aircraft themselves.

FINAL ASSEMBLY

Assembled by the owner in our UK CAA-approved factory under the supervision of licensed professionals.

4

CONGRATULATIONS

We're delighted you've chosen to join us on this incredible journey!
